

# Suzie Su Jin Ahn

156 Las Palmas Dr, Irvine, CA 92602 • 714.335.777 • [suzieahn1117@gmail.com](mailto:suzieahn1117@gmail.com)

## EDUCATION

**University of California, Irvine**

Anticipated Graduation: **Fall 2019**

Bachelor of Science in Computer Science

## PROJECTS

**suzieahn.me**

**July 2017**

- Designed and created a simple web portfolio to showcase my initiative in front-end development
- Coded in HTML, CSS, and Python with Flask, and deployed onto the cloud using Github Pages

**Othello AI**

**May 2017**

- Wrote a simple Othello Artificial Intelligence agent that minimizes costs and maximizes value to win against competing classmate's Othello AI

**Map's Application**

**November 2016**

- Developed a CLI based application that offers direction navigation like Google Maps app
- Communicated with Google's Maps API to pull and display most optimal directions

## EXPERIENCE

**HUONS Pharmaceutical Company** | Seoul, South Korea

**June 2016 - August 2016**

*Finance Department Intern*

- Reconciled financial statements of newly acquired company, communicating detailed discrepancies to upper management
- Ensured compliance to federal financial law by maintaining voucher records, gaining key excel skills

**Ozen Sushi Restaurant** | Foothill Ranch, CA

**January 2015 - March 2016**

- Managed inventory, created special orders, and oversaw daily schedule to lead team members
- Provided stellar customer service, including communication and response to customer complaints leading to an increase in rating on customer feedback
- Maintained positive relationships amongst all team members

## LEADERSHIP

**KOJOBS** | Irvine, CA

**September 2015 - June 2017**

*Vice President/Treasurer*

- Managed club projects like scheduling mock interviews, and coordinated resume critics with guest speakers from Hyundai and Irvine Company
- Lead fundraising and memberships by maintaining accounting records of organization's funds
- Recreated guide and booklet for the club legacy regarding fundraising and UCI club instruction

**Asian American Alliance** | Buena Park, CA

**September 2012 - June 2013**

*Secretary*

- Conducted weekly programs to introduce and bridge South Korean cultures to the Alliance committee
- Increased charisma in fellow board members to actively pursue increasing memberships
- Collaborated with graphic designers and videographers to market and create an advertisement which successfully pulled in 50+ new members
- Organized, set up, and facilitated community SAT Prep Sessions

## LANGUAGES

**In Order of Proficiency:** C++, Python, C, HTML, CSS, Assembly x86
